## INTRODUCTION

This report shows the distribution of population by sex and the proportion of males to females according to the 1966 Census of Canada.

Comparative 1966 and 1961 information on this subject is shown for provinces, counties and census divisions in Table 15. (Historical comparisons for earlier years back to the 1871 Census may be found at Table 16 of Volume I of the 1951 Census.) Table 16 of the present report provides 1966 Census sex distributions and ratios for municipalities of 10,000 and over while Tables 17 and 18 show these data for component parts of census metropolitan and other major urban areas. (The 1966 Census sex distribution for municipalities of under 10,000 have been published in earlier Reports 1-3 to 1-6 of this volume series.)

The following summary statement shows the sex ratios for Canada at each census period from 1901 to the present, and for provinces in 1966.

Le présent rapport répartit la population du Canada selon le sexe et la proportion d'hommes par rapport aux femmes d'après le recensement de 1966.

Le tableau 15 donne les chiffres comparatifs de 1966 et de 1961 sur le même sujet pour les provinces, les comtés et les divisions de recensement. (Des comparaisons chronologiques des années antérieures jusqu'au recensement de 1871 se trouvent au tableau 16 du 1er volume du recensement de 1951.) Le tableau 16 du présent rapport donne la répartition suivant le sexe et les rapports de masculinité lors du recensement de 1966 des municipalités de 10,000 habitants ou plus tandis que les tableaux 17 et 18 fournissent les mêmes données pour les parties constituantes des zones métropolitaines de recensement et des autres grandes agglomérations urbaines. (La répartition suivant le sexe, au recensement de 1966, des municipalités de moins de 10,000 habitants a été publiée dans les rapports 1-3 à 1-6 parus antérieurement dans la présente Série des volumes.)

L'exposé sommaire ci-après donne les rapports de masculinité du Canada à chaque période de recensement à partir de 1901 à la présente, et des provinces en 1966.
